

PATENT

Atty Docket No.: 200312032-1

App. Scr. No.: 10/697,692

REMARKS

The Applicants respectfully thank Examiner Marc for allowing the present application.

The Examiner contacted the undersigned on July 28, 2006 to request that an amendment under 37 C.F.R. §1.312 be filed in the present application to correct a typographical error appearing in Claim 3. In response to that communication, the Applicants have amended Claim 3 to correct the typographical error as noted above. No new matter has been introduced by way of the amendment to Claim 3.

As submission of this amendment was requested by the Examiner, it is respectfully submitted that entry of the present amendment should not be denied.

Should the Examiner believe that a telephone conference with the undersigned would assist in resolving any further issues pertaining to the above-identified application, please contact the undersigned at the telephone number listed below. Please grant any required extensions of time and charge any fees due in connection with this request to deposit account no. 08-2025.

Respectfully submitted,

Dated: August 2, 2006
